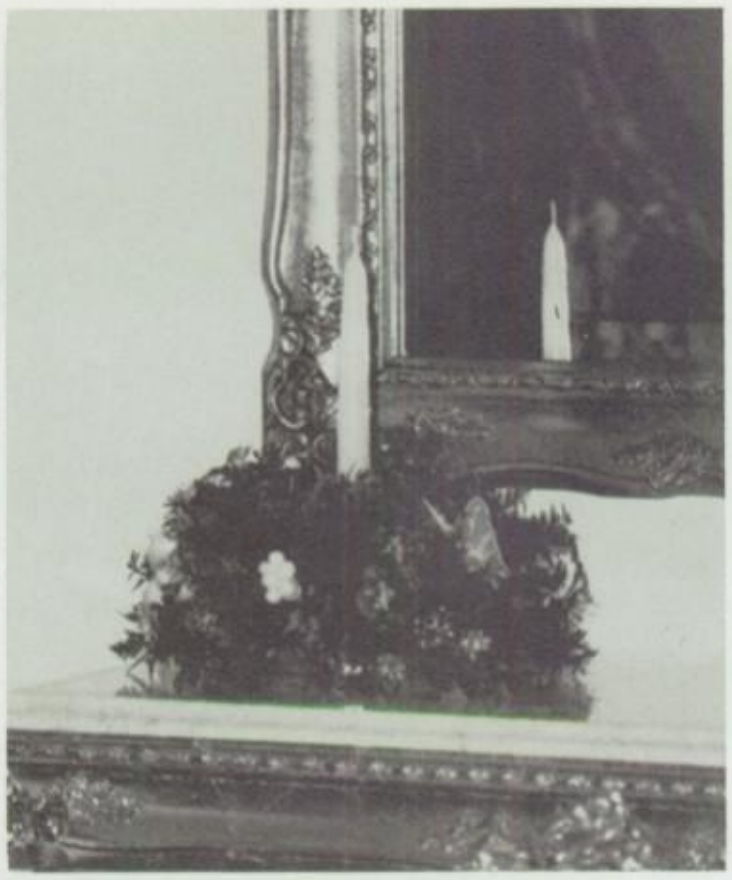
Mrs. Donna Cotner



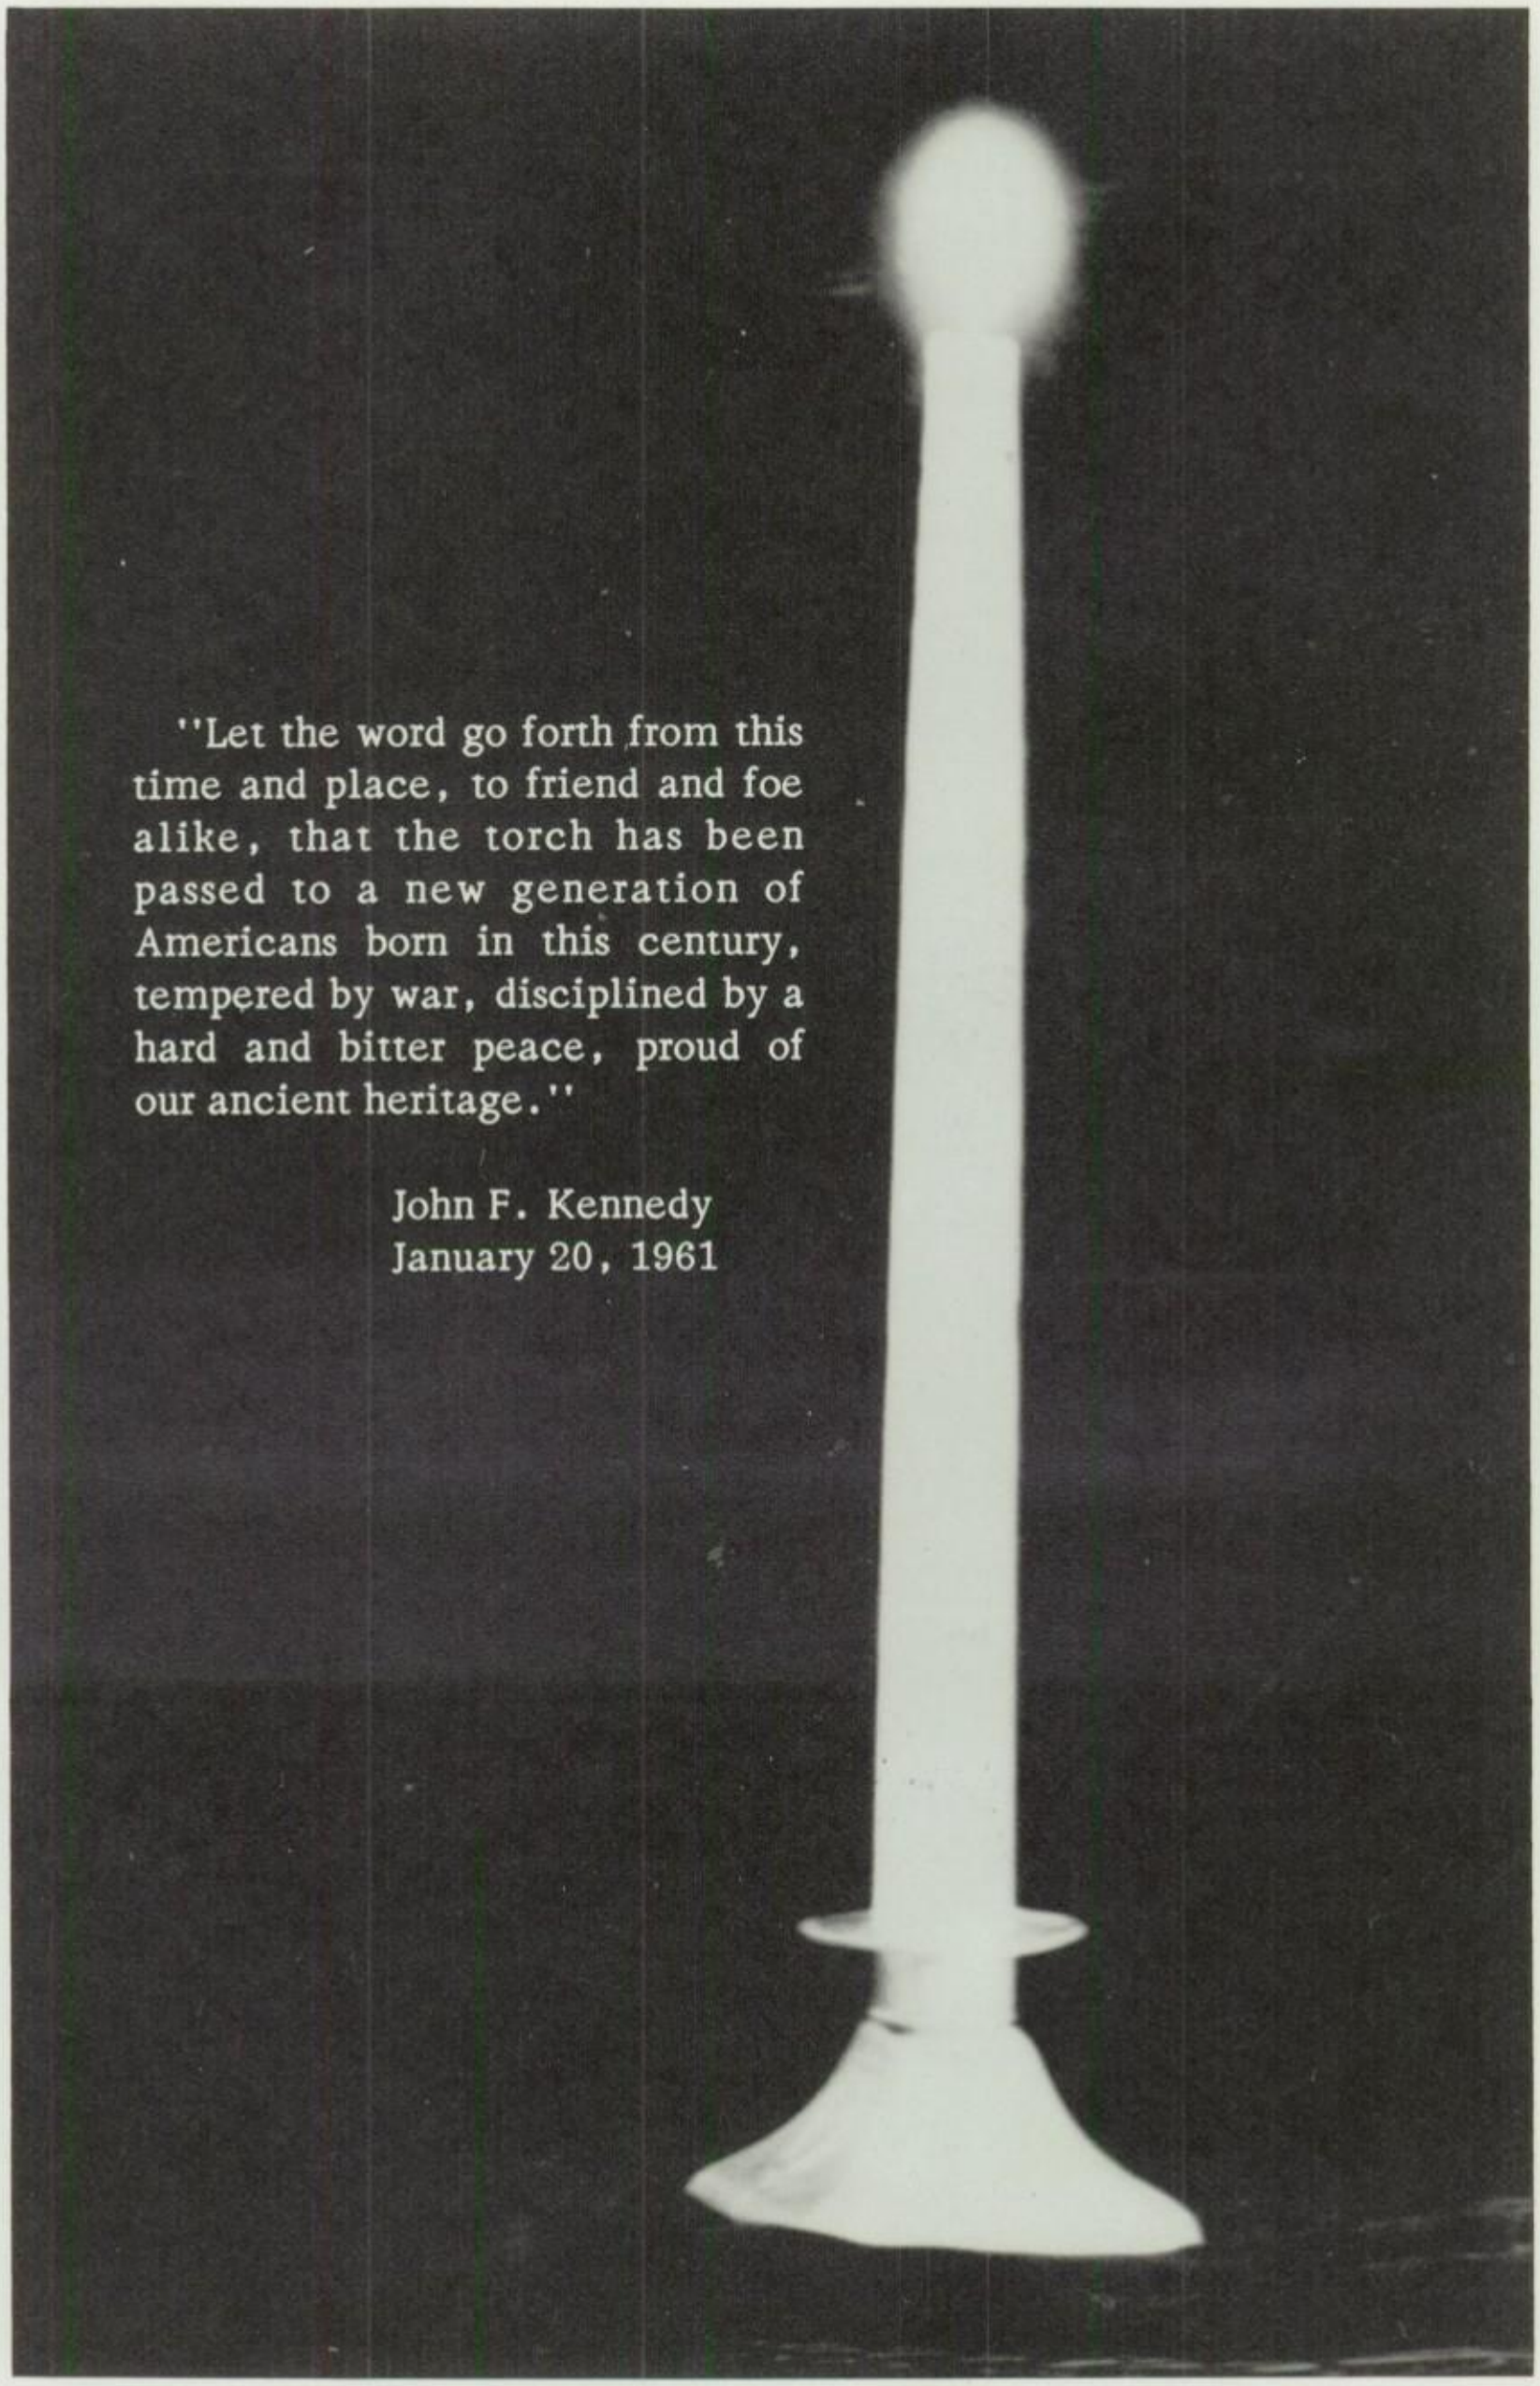
I could tell where the lamplighter was by the trail he left behind him.

- Harry Lauder

There exists in some a willingness to penetrate beyond the barrier of a teacher and student relationship. These people are sometimes rare and always dear. It is to such a person that we bestow our gratitude and friendship. She shares her knowledge with those willing to grasp hold of it and reaches out to others with her enthusiasm for all we do. There have been many candles lit by her and there will be many more in the years to follow.

This year the South Side Hawk Staff is proud to dedicate the '75 HAWK to . . .

MRS. DONNA COTNER



"Let the word go forth from this time and place, to friend and foe alike, that the torch has been passed to a new generation of Americans born in this century, tempered by war, disciplined by a hard and bitter peace, proud of our ancient heritage."
John F. Kennedy

"I have but one candle

David Livingston

For ten years now Mr. Louis Only has directed South Side High School's many activities. His ability to do so has been proven many times this year, as well as the years before. The responsibility he carries as the example for students and teachers here is credited to his outstanding quality of leadership. When we look back on all of our happy times here at South Side, Mr. Only will certainly not be forgotten.

Office Staff

Mrs. Webb and Mrs. Crabtree work hard everyday to keep South Side's business moving steadily on. They are well qualified and dedicated to their work. Their friendly personality quickly puts anyone at ease. Our secretaries are aided by office girls, who work just as diligently. The students may be informed of the day's activities by these hard workers. Their interest extends beyond their expected duties.

Office girls this year are: Connie Canovan, Delores Arnold, Pam Goff, Susan Anthony, Ramona Turner, Cindy Holmes, Trudy Rowland and Jan Little.

Seniors
"Class of '75"

Susan Carol Anthony

The "Class of '75" began this school year with anticipation of what their senior year had in store for them. The ordering of invitations and senior pictures created much excitement. Knowing that this was their last year as high school students brought happiness for some and sadness for others. However, the entire class was determined to make this year the greatest year yet, and according to them it was.

Juniors —— Class of '76

we are always on the front page.

Mona Allen

The Junior class of South Side has demonstrated this past year that they are ready to accept the responsibility of becoming seniors. The most exciting part of the year was when they ordered their Senior rings, proving that they were only one step away from this important role. The Class of '76 has great potential and has proved that they will be a great Senior class.

Sophomores — Class of '77

A group of students came to South Side last August with a great task ahead of them. That task was adjusting to the rules and customs of high school. They proved by their participation in sports, clubs, and other activities that they were ready to earn the title of sophomores in high school. The Class of '77 has the scholastic achievement and leadership qualities that it takes to make South Side a great school.

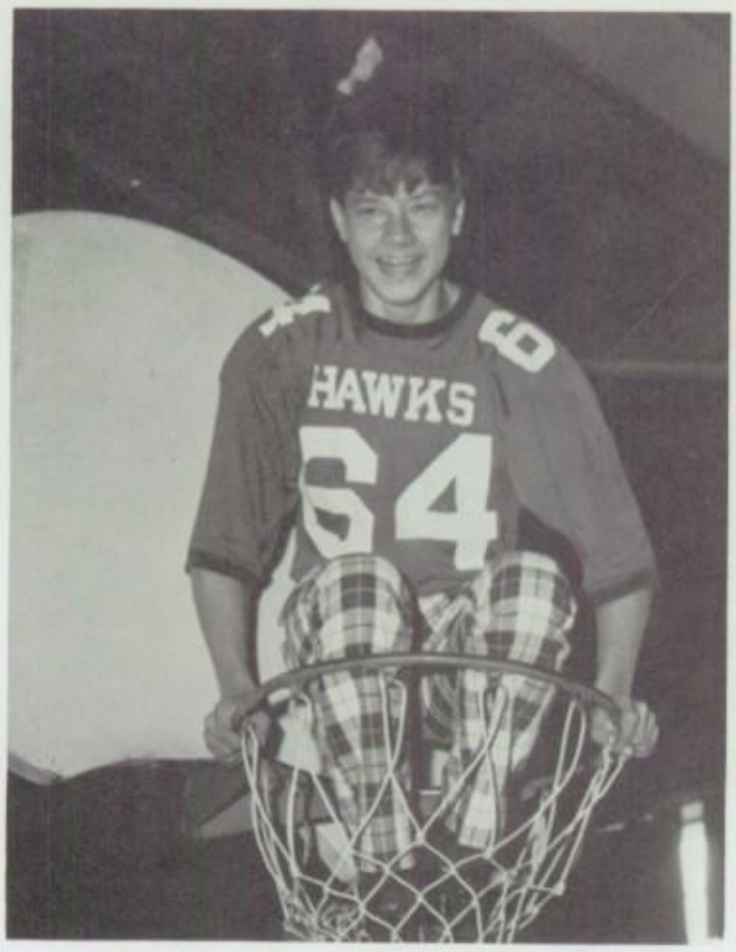
When time that steals our years away,
Shall steal our pleasure too.
The memory of the past will stay,
And half our joys renew.



The candle flickers, and the light dimly casts enduring shadows of days spent at South Side. In the eyes of reality the flame fades away, only to burn thereafter in our memories.

Homecoming 1974

South Side, using its powerful running ability and strong blocking, came through for a devastating homecoming victory over McKenzie. The game was all South Side's as Steve Marberry led the way for the Hawks. Size became a factor as McKenzie could not mount a sustained drive on the ground against the much larger front four of South Side. The Hawks held a 20-0 halftime lead. In the second half, the running of John Towater, Russell Hearn, and Terry Love mounted up the points to give South Side a homecoming victory of:

Candles grow old and burn out, just like people; and when one is gone, there is always another to take its place. But don't despair when you feel your flame grow dimmer, for who else could say, that at one time, "I lit the world?"

The past year came slowly and left quickly, but it will be remembered always! Every class worked hard to make this year a little more special and we, the '75 HAWK staff, feel that this effort has been more than accomplished. The pictures and words recorded in this year's HAWK are only a few of the wonderful memories, but we hope that they will help you recall a few of the best.

You did a great job on this year's annual, but wait till next year, Boy! what a great one we will have with all of those great people on it. '74
